

NOTICE TO THE PUBLIC
Yard Waste Collection Change

The Department of Public Works will no longer be accepting yard waste in plastic garbage bags for curbside collection effective Wednesday, October 8, 2008. Please place grass clippings, weeds, and leaves in reusable containers, such as Rubbermaid-type bins or cardboard boxes (please cover if raining) or placed in brown bio-degradable bags available at retail stores. Roll-out Carts may not be used for yard waste. The Town will not accept Yard Waste mixed with dirt, rocks, trash or debris. Root balls or stumps will not be collected. Yard waste is collected Town wide on Wednesdays.

If you have any questions, please call the office at (540) 635-7819. Thank you.

Terry W. Seal, Director
Public Works Department
