## **NOTICE TO THE PUBLIC**

### **HAPPY CREEK ROAD CONSTRUCTION ROAD CLOSURE NOTICE**

The Town of Front Royal Department of Environmental Services announces that the Virginia Department of Transportation has announced that the contractor working on Happy Creek Road will be closing a portion of Happy Creek Road from Polk Avenue to 6<sup>th</sup> Street beginning Monday, June 28. The closure of this segment is anticipated to continue through November to facilitate the creation of a new intersection of Happy Creek Road and 6<sup>th</sup> Street.

The contractor has installed variable message signs this week to alert motorists of the future closure.

Motorists are advised to follow the detour signs to travel around this road closure.

Motorists should expect delays through the Happy Creek Road work zone and also anticipate extra travel time through the detour.

The Town will continue to provide construction updates as VDOT notifies us of construction issues on Happy Creek Road.

If you have any questions about this project, please contact the Department of Environmental Services at (540) 635-7819.
