

# Attention Contractors!

The Town of Front Royal is seeking contractors to submit bids for façade improvements of numerous properties in the downtown area. These improvements are part of the Department of Housing and Community Development (DHCD) Community Development Block Grant and will assist in helping to revitalize the downtown area.

Bids will be advertised in September following completion of (Town paid) lead and asbestos testing.

If you are a Virginia licensed (minimum of a Class B license) and insured contractor and are interested in bidding on this work, please contact:

Jeremy Camp  
Project Manager
